About the artist

Maurice Mondengo, ThM is one of the Congolese gifted singers of church, collegial and community choirs who likes singing and helping people to sing. Maurice writes music as he feels. He has been singing publicly since December 23th, 1971 when he was only 5 years old and has conducted choirs since 1984. With the gift and love of the music he has composed several songs for liturgical choir. If the gift and love of music led him to compose several songs for choir, issues of peace and justice are often implicit in his songs. His main instrument of song is the voice.
