Verse 2:

From a distance, we all have enough,
 And no one is in need.
 There are no guns, no bombs, no diseases,
 No hungry mouths to feed.
 From a distance, we are instruments
 Marching in a common band;
 Playing songs of hope, playing songs of peace,
 They're the songs of every man.
 (To Bridge:)

Verse 3:

From a distance, you look like my friend
 Even though we are at war.
 From a distance I just cannot comprehend
 What all this fighting is for.
 From a distance there is harmony
 And it echos through the land.
 It's the hope of hopes, it's the love of loves.
 It's the heart of every man.
