2. The first time ever I kissed your mouth,  
I felt the earth move in my hand,  
Like the trembling heart of a captive bird  
That was there at my command, my love,  
That was there at my command.
3. The first time ever I lay with you  
And felt your heart so close to mine,  
And I knew our joy would fill the earth  
And last till the end of time, my love.  
The first time ever I saw your face,  
Your face, your face, your face.
