I think I'll pack my bags and I'll leave it all behind
 I'm gonna leave it all behind
 No need to compromise cause these are the right words to say
 Give it half a chance

Alone together, all alone, together all alone

Alone no more, it's Wednesday night
 Someone is gonna treat me right
 No, not my man gets me this high
 It's gonna be my neighbour at number 29

Alone no more, it's Wednesday night
 Someone is gonna treat me right
 No, not my man gets me this high
 It's gonna be my neighbour at number 29

You know, I was talking to my neighbour at number 29
 No, not my man, It's not my man who gets me high
 You know it's funny,
 Alone no more
